

## **Market Rasen Church of England Primary School**

### **Service Premium 2016/2017**

In the 2016/2017 financial year we have £8,798 to spend on children entitled to the Service Premium.

We contact all of our Service Premium families to work together to find out how we can use this funding to best support their child.

This year the funding will be spent on the following things:

- Individual in school music tuition for service children to follow interests and provide an outlet for feelings of worry or anxiety.
- Childcare to support service families when a parent is on military service.
- Educational materials to support children at home to help close any educational gaps that may have arisen due to changing schools.
- Financial support to access confidence boosting activities outside of school like drama classes and music.
- One to One lessons with a qualified teacher to close the gap that may have arisen by changing schools.
