Thursday 20<sup>th</sup> October 2022

Dear Parents and Carers,

Year 3/4 have been asked to help support the town's "Litter to Lights" project. The project involves making Christmas lanterns out of recycled bottles and containers, which will hang between the Co-op and the Market Square, ready for the switching on of the town's Christmas lights at the beginning of December.

Over half term, please could you save any 2-litre size bottles or containers, such as fizzy pop or milk. If you could wash them out, and then bring them into school in the first week back after the holiday, we can begin our project.

It links nicely with our current DT topic in school, where we are making Oriental lanterns, and we hope it will be a fun activity to help our community.

Yours sincerely  
Sue Thompson
