Dear Parents/Carers

Cooking in the Curriculum

As part of our ongoing dedication towards developing cooking in the curriculum, we are continuing termly cooking sessions for the children.

Each class will have three cooking sessions a year with their teacher. The sessions will follow carefully planned recipes and involve all of the children having the opportunity to create a dish following a recipe card. The recipe card will then come home with your child so you can have a go at the recipe yourselves at home.

All of the ingredients and equipment will be provided for the sessions but to enable us to sustain this we need to ask for a contribution of £3.00 per child for the year to cover the costs. Payment can be made by cash to the school office, or by using Wisepay. If you require a reminder of your login please contact the school office.

School budgets are under enormous pressure at present so please remember to make your contribution of £3.00 to enable us to continue with this opportunity.

If you have any questions about cooking in the curriculum, please don't hesitate to contact us at school.

Yours sincerely,

Nichola Allerston

Head of School
