Dear Parents,

We are currently requiring further Learning Support Assistants to support children with Educational and Health Care plans in our school. This role is to ensure that we are meeting the educational, social, emotional and medical needs of children who have been identified as needing extra support.

Whilst we usually ask for a Level 2 qualification in education for a role like this, we would be willing to consider candidates with transferable skills or previous relevant experience. We would then support the candidate to achieve a Level 2 qualification whilst working with us.

If this is something that might interest you please get in touch so we can discuss the above more fully. The two roles we currently have vacant are of 16 hours and 25 hours a week.

To discuss this further please e-mail me to arrange a callback.

Kind regards,

Andrew Smith

Executive Headteacher
