Tuesday 1st April 2025

Dear Parents / Carers,

Year 3/4 Summer Term Wow Day

We will be starting a new topic in April called “Riddles of the Rainforest”, where we will be exploring the Amazon rainforest and the Amazon River. A range of learning in Geography particularly will help us develop our knowledge of the wider world, which in turn prepares us to be good citizens in today’s diverse society. Discussing what is happening to the rainforest and what we can do to help helps us prepare for a brighter tomorrow.

During the Easter holiday, if your child would like to do some research in advance, we would like them to draw and colour a picture of animals or plants which would be found in the rainforest, which we then can use to start our new classroom display.

On the children’s first day back, Wednesday 23rd April, we will be having our Wow Day. We will develop our knowledge of what plants and animals are found in the rainforest. We will develop our skills of creating art using a variety of media.

We will also be starting our new class reader “The Explorer” by Katherine Rundell, which is all about a group of children’s adventures in the Amazon rainforest.

As we will be doing lots of exploring over the coming term, we would like to invite the children to come dressed as explorers on the Wow Day, if they would like to. If they don’t want to, then they should come in school uniform or PE uniform as usual.

As always, if you have any queries about the Wow Day, please feel free to contact us at school.

Yours sincerely

Sue Thompson, Danielle Callis and Caroline Matthews
