

Risk Identified	Existing control measures	Level	Who is at risk?	Preventative Measures	Who is responsible
Powder paint in eyes / inhalation	Avoid throwing paint at faces, all throwers are not to aim at others faces. The paint purchased is meant for use by children and will not cause any lasting damage to your health.	M	Everyone	Safety goggles or sun glasses to be worn. If a child does not wear them, take extra precaution when throwing paint towards them. If paint goes in mouth, ears, eyes etc, rinse with water at first aid station, and make first aider aware of name and details of what happened to record as an accident.	All Staff
Unsturdy footwear	Ensure each child is wearing comfortable shoes such as trainers.	M	Everyone	Ensure the shoes your child is wearing are not their 'best' ones as the paint is likely to stain, and ensure they're the correct size to avoid falls.	Parents/carers
Falling over Uneven Ground	The field will be cleared to a minimum, bar tubs of powder paint, and no toys will be on the ground to trip on. The ground may be uneven in places.	L	Everyone	If you see any trip hazards, please help us by moving them out the way. First aid station available in case a fall does occur. Take care on uneven ground.	All Staff
Stained clothing	Ensure your child is wearing 'old clothes' or something you don't mind getting stained – white encouraged!	L	Everyone	If you don't have any old clothes then please let us know and we will try lend your child something to wear.	Parents/carers
Stranger danger	Pre School - staff will ensure the children are kept together until all parent/carers arrive - a register will be taken of children taking part. Primary School - collect your children at the end of their school day as normal, the children are then in your care - take them to the football pitch at the side of the hall ready for the event.	L	Everyone	If you are bringing a friend or family member, please let a staff member know that they are with you upon arrival, for Safeguarding reasons.
